My eHealth Record

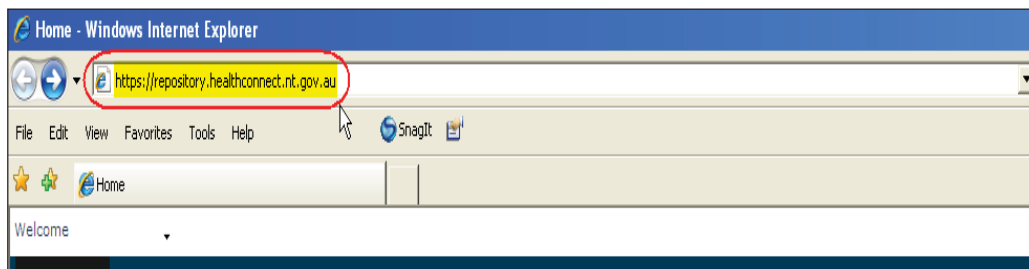

Hospital Documents by Home Health Centre Location

Run this report to view consumer's hospital discharge summaries, letters and outpatient documents.

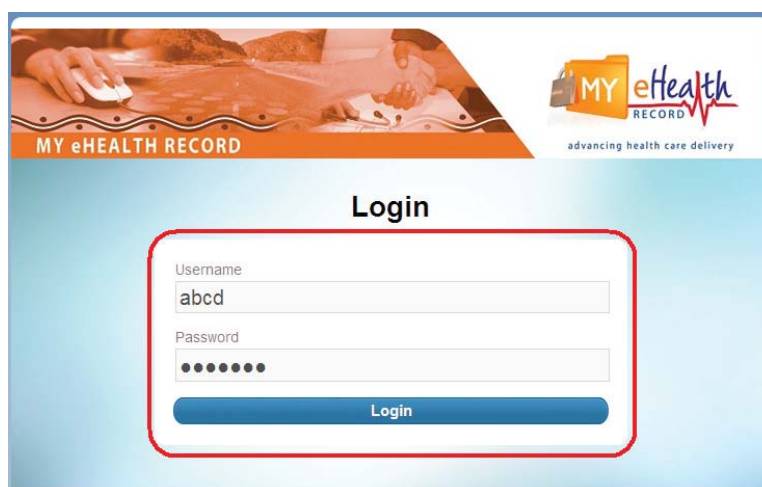

To run the Hospital Documents by Home Health Centre Location report go to the My eHealth Record repository on the internet.

The MeHR repository address is: <https://repository.healthconnect.nt.gov.au>

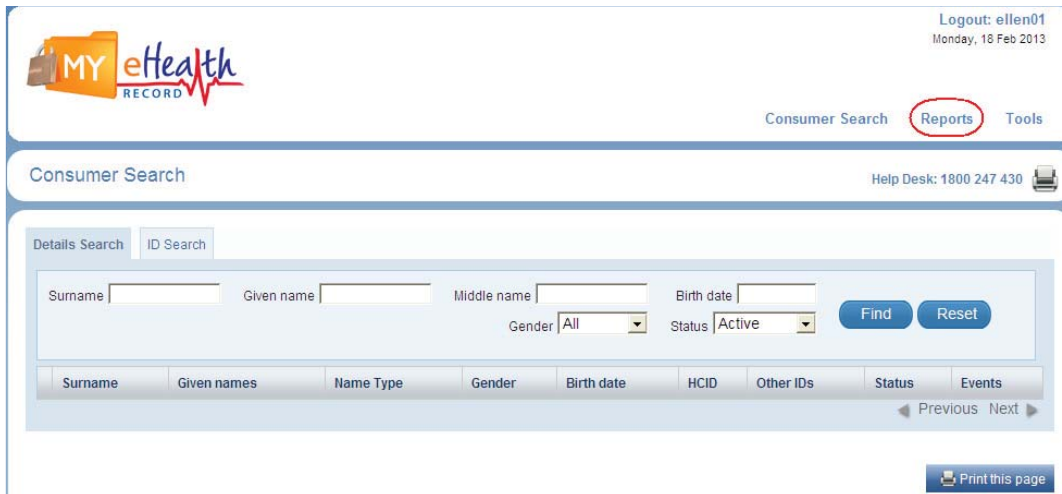

Make sure that the S is included in the https.

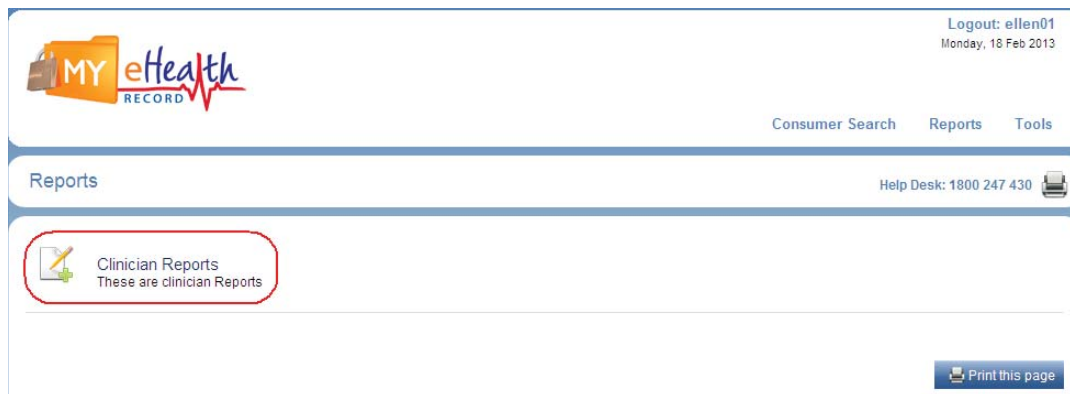

The login page for the My eHealth Record will then display. Enter your user name and password in the login fields. Click the Login button to enter the repository.

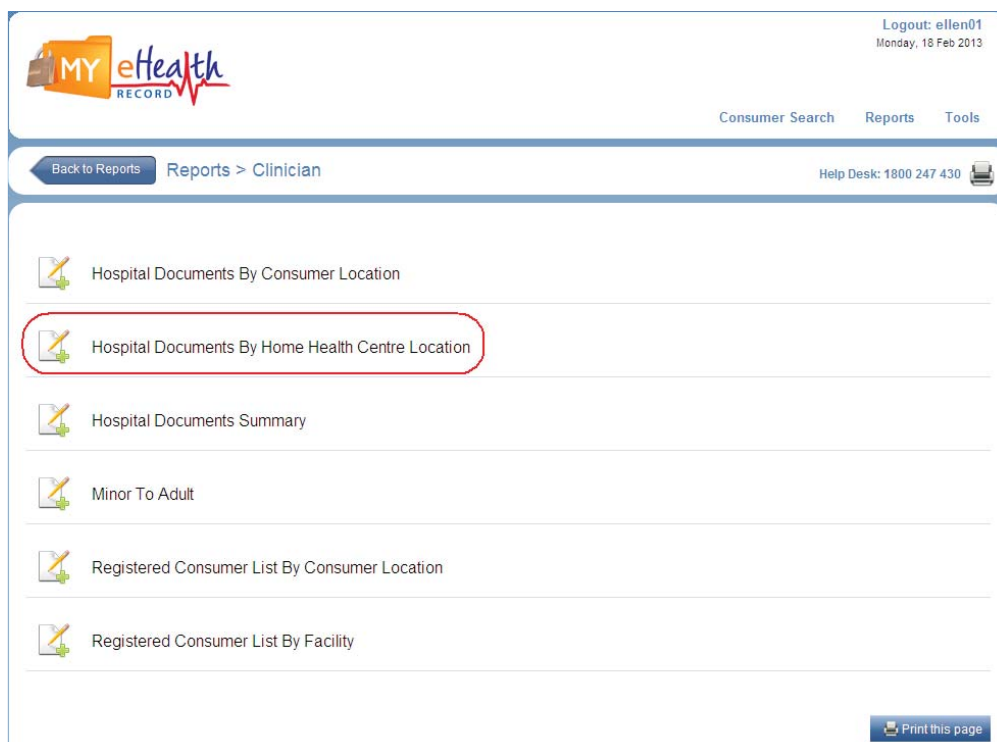

The MeHR Consumer Search page will display. From the MeHR toolbar click the Reports option.

Select the Clinician Reports option.

A selection of reports will display. Select the **Hospital Documents by Home Health Centre Location** report option.

The Hospital Documents by Home Health Centre Location report criteria page will display. Click on the drop down arrow for Facility and select the desired Facility.

A Document Date Range must also be selected before creating reports. Selecting the date range can be done using the following options:

- Click on any of the pre defaulted time frames to automatically fill the date range ie: Today / Week / Fortnight / Month / Quarter / Year
- Manually type in a specific date range using the date format DD/MM/YYYY or;
- Use the Calendar picker, which displays when you click on the date fields, to select a specific date range for date from and date to.
